19 May 2021

Dear Parents

We are now going into much colder weather. The mornings are very cold so please make sure your child comes to school suitably dressed with a warm vest and socks. The children can take off clothes as the day gets warmer. Please mark all items of clothing.

There has been an improvement with the quality and wearing of masks – Thank you. We unfortunately have to persevere with this matter as it is still of critical importance. Please make sure that the masks are clean and are well fitted with the covering of the nose and mouth. An extra one must be supplied in the child's bag daily. The disposable "kiddies" masks we have found to be the best.

The fun walk is taking place on Saturday the 29th May – 10 more sleeps to go! Tickets must be bought prior to this event for catering purposes.

- R 50-00 for all participants
- R 20-00 for non-participants and observers

If there are any parents who have sponsored items for the "goodie bags", please could you send these in by Friday. We need to start packing the bags.

We are in need of the following items for the day and it would be most appreciated if a bottle of the following could be donated.

- Tomato sauce
- Mustard (mild)
- 1000 island dressing
- Chilli sauce

Please just let me know if you are able to help with any of the above.

Thank you for the ongoing support and co-operation.

Sue Ramos
