

Dear Parents

Hope you are all coping well and are keeping safe under the 3-wave of the pandemic.

We are once again asking parents to please arrive at the school wearing a mask at all times.

Please remember to send in an extra clean mask in your child's bag, if your child is sick or not feeling well, we ask parents to keep them at home until the infectious condition has passed. We also ask that parents let the class teacher know that the child will not be at school and also the reason for being absent.

We are following strict procedures at our school for the safety of your child and the teachers.

Kindly make sure your child is warmly dressed on arrival, with a warm vest, jacket or fleece top and socks. A change of clothing in your child's bag is advisable as accidents do happen. Kindly label all items of clothing.

Thank you for your understanding with all the safety measures at the school.

SCHOOL WILL BE CLOSING ON FRIDAY THE 9TH JULY AT 11:00am

AND

WILL RE-OPEN FOR THE 3RD TERM ON MONDAY 26TH JULY.

Regards

Sue Ramos
